

MONKEY STAYS HOME

Hi, I'm Monkey and
this is my sister Ocean.
We have to stay at home
for a while too,
but there are lots of fun
things we can do...
Want to join us?

We love COOKING
together, we come up
with delicious meals...
And fresh fruit desserts
are our favorite!

We play treasure hunt
at home, we become
PIRATES and build forts
or castles.

Everyday we do YOGA,
stretching or gym
exercises to stay fit.

We've become expert
GARDENERS, we are
growing and caring
for our own plants.

During bath time
we take it easy, and
turn our bathtub into
a relaxing and bubbly
aromatherapy SPA.

Once a week, we hold
an ART EXHIBITION
to display all our arts
and crafts made
with recycled materials
from home.

And very often
we put on SHOWS
for the ENTIRE FAMILY
and we broadcast them to
our grandparents.
We make up all the songs
and dance moves!

Before we go to sleep, we
tell BEDTIME STORIES
with the FAMILY and we
use our imagination to
travel to far away places.

Thanks to all the children
for staying at home.
Thanks to all the mums and dads
for bringing magic to their days.

We will see each other
again very soon.
We'll be waiting for you!
